### Session on E-Commerce by enablers

Being an educational institute we believe in the motto "Education that Works" and empower our students with skills along with knowledge. To encourage our students towards E-Commerce business and to spread its awareness, a seminar was organized by Enablers' on 23<sup>rd</sup> November, 2020. The session gave students insight to build a passive income mindset, to start freelancing jobs along with studies and to stand on their own feet. This would also help them in their future endeavors and assist them in getting highly paid Amazon-related jobs in the future. We are looking forward to collaborate with Enablers and to arrange these type of sessions regarding E-Commerce more frequently in the near future for Pakhlis and ex-Pakhlis.
